

Penn Coachmen

May-June 2022

Wow...what a great weekend we had our **Centre Hall Rally** in May. Mary Ellen Seifert, Rally Master and her hosts really did a fantastic job. Friday night we all enjoyed barbecues and sides with many desserts. We had our annual membership meeting, minutes are on our website. Everyone was brought up-to-date. Saturday many of us attended one of Gary's Informative Seminars. After lunch we had a fast action game of Bean Bag Baseball. Wow did they rack up the score. Too bad the scouts weren't there to recruit for our team at GEAR. We all enjoyed the Pot Luck dinner and ended the night with a movie and popcorn. Sunday morning's breakfast was made by Mary Ellen. She did all the baking herself, my...what a spread. After Hal's church service we had a nice relaxing afternoon. SkyMed, an Emergency Air Transportation Service came in to talk to us about what they had to offer us. We then had a nice picnic dinner. Gary did his Memorial service and honored all the veterans after dinner. Eric (Navy) and Paula (Army), new member, did a flag folding ceremony with Gary. Thanks to everyone who made this weekend a success.

Penn Coachmen's June Rally at Don Laine Campground June 14-16, 2022

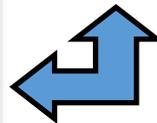

Twenty RVs converged at the Don Laine Campground in Palmerton, PA to have a good time and they succeeded! We got reacquainted with some members and we celebrated the joining of a new Penn Coachmen family, Bob and Trudy Fella.

Carol and Bob Crossett and their hosts fed us well. My personnel favorite was the strawberry short-cake. We also had a catered dinner, a homemade chili dinner and a great breakfast made by the "Boys".

We entertained ourselves by playing a lot of games, from card bingo, pin the feather on Penny, water balloon toss, relay to open the candy and of course bean bag baseball. We had 4 teams play bean bag baseball and the competition was great but Team 2 (Tom Shannon, Lori Vernon, Kathy Troiani, Jack Vliet, Carol Crossett, and Joan Park) came out on top. We had a "guess who this is" with pictures from our

A few members relaxing and enjoying the nice day!

Plans are being made for the next event at GEAR in Lewisburg WV. Some who are going plan to meet half way at a campground. Mary Ellen Seifert was looking into a campground to hold sites for the group. Check with her for more information.

Many thanks to the Crossett's, Rally Masters, Jack Vliet Area VP and consultant, and hosts Joan Park, Ken and Janet Frey, Iris and Bob Blum, and Lori Vernon!!!

SEE YOU AT GEAR!

A Celebration of Life for Karl Deardorff.

On Friday, June 17 a large group gathered to celebrate Karl's life at the American Legion in Biglerville, PA. Karl and wife Linda, were active, contributing members of the Penn Coachmen for many years and they are sorely missed from the Penn Coachmen family. The service and music were provided by the Servillo's who have provided entertainment for Penn Coachmen at our Roxbury Rallies many times. Several attendees shared memories and stories of Karl. His love of life, his sense of humor and his many acts of kindness were woven in those stories.

I want to thank Phyllis for putting together the information on our Don Laine Rally. Our 2022 camping season has come together so nicely. Everyone who has worked on the rallies have done an amazing job and we thank you all. The upcoming events will be just as much fun I'm sure. Let's face it, we never have a boring Penn Coachmen gathering!!! Remember.....none of our board members would ask anyone for gift cards. So many spam emails run through our membership, so please discard any you receive like this. Any questions please feel free to call me.
