**TCW President's Letter**

**Matt Hoelzel**

Hello TCW members and friends. February is here. Maybe some snow and cold temps for those in the North East. That must mean we are only a number of weeks away from the start of a new rally season. While Ellen and I are beginning to get comfortable in our new home in SC, we have been looking forward to getting down to Florida to welcome those coming to the Silver Palms rally in Okeechobee FL. March 6-10, 2023. If by some chance TCW members find that their schedule opens up on those dates, give the reservation desk a call and see if sites are still available. For the Fort Valley CG in Va, there is a Jan 30th ending date for making reservations. If you have not made your reservations yet for that rally, May 11 - 14, 2023, please call to make that reservation ASAP. (see write up for info). I certainly don't want to promote only those two rallies. We have a number of rallies for 2023, the FMCA National conventions, and the Eastern Area rally. Please support as many of these rallies, as you can. You'll meet new people who may soon become friends. Is anyone traveling in southwest NJ near Cowtown? Go ahead and stop in to see if there is an area to have a rally. Y'all know that Rich Russo, our VP of rallies, would love to have more rallies on his schedule.

Our first business meeting for 2023 is on the calendar at the Lancaster Pa/Country Acres CG in April. Mary Burdge, your co-host for Lancaster, sent an email out to let everyone know to call the campground and make that reservation. At the meeting, I want to remind everyone that it's time to elect members of the Executive Board for their 2 year term. We will need a Nominating Committee to get names of members interested in being placed on a ballot. If anyone is interested in volunteering to be on the Nominating Committee, please give me a call. I will also be asking for volunteers at the meeting. It is a necessary committee to keep TCW running.

On a different note, please make sure that FMCA has your email. It is thru FMCA that our newsletters will be sent out to our membership. If you did not receive the last newsletter from FMCA, then FMCA does not have your correct email or you unsubscribed. Please correct it online with FMCA. While speaking or in touch with FMCA, ask for a few extra FMCA magazines. There is no cost. You can use the magazine as a recruitment tool to bring new members into FMCA and into TCW.

I want to give a shout out to those hosts and co-hosts who have unselfishly chosen to run a rally this year. Without hosts and co-hosts, there is no TCW. It kind of makes being a host and co-host a pretty important thing.

So until we see each other again. Enjoy life. Look forward to our new season. Stay healthy. If on the road, be safe. And remember.....

It's All About Fun

Matt (President)

## **Rally VP**

**Rich Russo**

The 2023 rally season is approaching and we still need more people to step up and host rallies. We're having fewer rallies each year and I have been informed that the fee for Miller airport will be \$500 starting next year. This will be the end of one of our longest running events. I will try to find a replacement for Miller but I don't think we will find one in this area. If anyone has any connections with other county or state parks please contact me.

Hoping to see you at a rally soon. Safe travels.

## **Sunshine VP Report and Other News**

**Helen Caserta**

I'm happy to report most people are staying healthy. No get well cards sent since our last newsletter. I did send one sympathy card at the passing of Gene Jeckert in December.

If you need a card sent - or know of someone that could use a card, be sure to email me and I will do it. See you all in the Spring.

Editor note- We just learned of the passing of Gus Springer, our condolences to Helen Grube, his family and many friends. You will be missed.

The next newsletter will be published around April 15, 2023. There is a new requirement that chapters must send all email correspondence to FMCA for distribution to its chapter members. This is to add certain elements to the email so that it meets Federal Law. This will add delays so please see our TCW website if you haven't seen the newsletter by the published expected date.

If you attend a rally and take pictures, please send them via email to me so we can have pictures in the newsletter for TCW rallies. [yorklawyer@comcast.net](mailto:yorklawyer@comcast.net)

## **Membership Update**

**Charlotte Lawyer**

As of February 6, 2023 we have 22 paid member families. 16 families have not paid, that are current motorhome owners, and 3 did not pay that no longer have a coach. I sent a letter to all members that had not paid as of January 1. I will give these folks another couple of weeks and then have FMCA send out email reminders, as I am not allowed to send emails that solicit funds.

**If you know you haven't paid yet. Here's how you can pay.**

**Please submit your \$15 check made payable to: 20th Century Wagontrainers**

**Silver Palms RV Resort Okeechobee FL March 6 to March 10, 2023**

<https://www.silverpalmsrv.com/> 4143 Highway 441S  
Okeechobee FL 34974  
(Take Rt 70 to Okeechobee and turn south on Rt 441, then right onto a feeder road just before McDonald's to Silver Palms entrance).

The winter snow bird season is coming to an end so why not start the 2023 rally season a bit early for those that are in FL. Or even those who want to travel south. Join Ellen and I at Silver Palms RV Resort. It is only a 1/2 mile from Lake Okeechobee. The resort is full of amenities starting with E/W/S. They have a beautiful pool that can be enjoyed while listening to music from a band or having lunch from the kitchen at the pool. Walk around on the black top roads and enjoy the beautiful landscaping of the resort and all the sites before heading north. If you like to stay busy, we have cornhole, shuffle board, horseshoes, organized card games, and a billiard room.

The menu is not put together yet, but we are looking at happy hours and ice cream social. Cost is #75/night. It is regularly \$105, so I was able to negotiate a decent discount considering it is prime time. Cost for meals will be forth coming. Be prepared, for some, the resort will ask how old your coach is. If over 10yrs old, they may ask for a picture of the coach to verify it is presentable, which I don't think anyone in the chapter should have a challenge with.

PLEASE call the resort at 888-323-4967 to make your reservation and pay for the number of nights you will be staying. Absolutely mention you are with 20th Century Wagontrainers so you will be placed in the correct area of the resort, BEFORE Dec 15th 2022. I have 6 sites, not counting mine, reserved. If we have over 6, I will talk to the resort and attempt to get more. Due to Hurricane Ian, and the destruction to the west coast, the resort is filling up sooner than normal since many of the west coast campgrounds were devastated.

After making the reservation, please call me, the host, at (Matt) to let me know that you are attending. Again please reserve before Dec 15th. See y'all soon.
