

Good evening, folks,

Patt and I are going to host another rally. This rally will be held at the River Vista campground, Aug. 17th-20th.

River Vista Campground does not organize rallies, they ask that you call and make a reservation in your **own** name. We will arrive on the 16th.

The usual meeting area has to be reserved at a cost of \$250. There is an outdoor pavilion with picnic tables that we will be free to use. I have reserved both in case we have a good response to the rally. If not, we will group around our motor home. We made reservations in a pull thru campsite.

We plan on having an ice cream social on Thursday night, hamburgers on Friday night and a pot luck dinner on Saturday night.

The cost will be \$12 a person and the check should be mailed to Patt Lawson by August 10th.

We will have a golf tournament on Saturday morning starting at 10am. Entry fee will be a \$2 cash donation to the local food bank. The tournament will be a round robin of 9 holes each with the money being donated in the winner's name.

Don't know how to play golf, then free lessons will be given after the hamburger dinner on Friday night by pro Larry Lawson.

Don't want to play golf then come and cheer on your favorite pro.

By the way, this is a **card game**.

Interesting facts about our independence.

The Declaration of Independence was approved by the [Continental Congress](#) on July 4, 1776. The document announced the separation of 13 North American British colonies from Great Britain. It was the last of a series of steps that led the colonies to final separation from Britian.

Thomas Jefferson began the document by proclaiming a set of natural rights held by all and the responsibility of the government to protect those rights. He then cited specific ways in which King [George III](#) had violated the colonists' rights, which formed their justification for seeking independence.

The Declaration of Independence states three basic ideas: (1) God made all men equal and gave them the rights of life, liberty, and the pursuit of happiness; (2) the main business of government is to protect these rights; (3) if a government tries to withhold these rights, the people are free to revolt and to set up a new government.

Folks, this is the proper way to dispose of the American Flag.

Remember to always be mindful of others,

Larry
