“The way camping should be.... with friends that become family”

Good morning, folks,

Just wanted to share some information from a meeting we had last week while camping in Cherokee, NC.

Eleanor, Jane, Patt & I meet to discuss different issues with recruitment. One of the ladies said that our club felt like family to her. I thought what a great idea to incorporate this statement into a club motto. What do you think about the motto? More on recruitment at a later date.

During the meeting we discussed the planning for our upcoming 20th club anniversary. Jane and Rod Block have offered to head up the rally. I am sure they will have plenty of volunteers. I know Patt, Eleanor and I have offered to help. It should be a great time. Please volunteer!

Our current Eastern Area President, Phyllis Blitz, will be joining us. This would be a good time to talk to her about the inner workings of FMCA.

The rally is being held at the Willow Tree Resort in Longs, SC. This is a beautiful campground and being near Myrtle Beach sites come at a premium.

Here is a list of campground sites that Jane has secured for us at a \$10-\$20 discount.

From Jane:

The Club is locked in at the Willow Tree Resort in Longs, SC which is near North Myrtle Beach.

The dates of the rally are Thursday, April 25th to April 28th.
